DT.MEDICAL LIBRARIES- contributions-local bodies-advised to pay regularly

Read the following paper:-

From the Surgeon-General, dated 7th May 1937, No.502-Mis.

ORDER No.1434 P.H., dated 16th June 1937.

The Surgeon-General has brought to the notice of the Gov certain cases in which local bodies have refused to pay the cont tions due to Dt.Medical Libraries on the ground that these contr tions are not obligatory on their part. He has suggested that local bodies may be advised to pay their contributions regularly every year.

Dt.Medical Libraries are maintained in each district und the control and superivision of Dt.Medical officers. They are i -ed for the benefit of Medical officers and subordinates in the employ of Govt. and local bodies, Health Officers, Hon.Medical C and Rural Mdl.Officers. These libraries are maintained up to so as to enable all medical men in the Presidency to improve the professional knowledge and to be in touch with the latest advanc made in medical and surgery. As local bodies in this Presidenc maintain a large number of both regular and rural medical instit tions, it is essential that the medical officers in these instit tions should have facilities to obtain for their study the lates books and publicat ons relating to medical science. The Dt.Med Libraries provide such facilities and it is therefore the duty o all local bodies to contribute towards the maintenance of these libraries. As these librari s serve a useful purpose to the me officers in local fund and municipal medical institutions, Dt.Bo and municipal councils are requested to pay their contributions regularly ev ry year without fail to the Dt.Medical Libraries. should not be difficult for the local bodies to pay these small contributions.

It is reported that certain Dt.Boards have refused to pa the arrear contribution due from the Ex-taluk Boards. In reaga to this arrear contribution, the Govt.consider that as Dt.Boards took over all the assets and liabilities of the Ex-Taluk Boards, they are bound to discharge the liability up to the date of the abolition of these Taluk Boards. The Dt.Boards concerned are requested to pay the arrear contribution due from Ex-taluk Board to the Dt.Medical Libraries at a very early date.

In G.O.No.1834 PH., dated 31st July 1934, the Govt.permit Dt.Boards to increase the maximum contribution payable by them f Rs.100 per annum to Rs.150 per annum. The question has now been raised as to how the contribution of Rs.150 should be split up be ween the Bifurcated Dt.Boards in a district and whether it shoul be in the proportion to the no.of medical institutions that lie within their area or on any other principle. The Govt.conside that the sum of Rs.150/- per annum may continue to be the maxim contribution from each of the bifurcated Dt.Boards.
